Water Aerobics

A.B.C.	Aquatic Body Conditioning. Buoyancy supported water exercise. Includes aerobic conditioning and utilizes water resistance and fun equipment for increased muscle strength and toning. This class is held in the deep end of the pool.
ACT Now	Get into the ACT ... Aquatic Conditioning and Toning. Super-sized cardio intervals. It is fun, fitness and water all in one. All levels of fitness are encouraged to come.
Aqua Jam	This multi-level workout is easy on the joints while providing the benefits of a mid to high intensity workout. A cardio component and variety of equipment is used to strengthen and tone from head to toe. This class is held in the deep and shallow ends of the pool.
Wet n Wild	101 exciting ways to move in the water. Strengthen and tone muscles while providing a great cardiovascular workout. This class is held in the deep end of the pool.
Gentle Waves	This class combines low intensity cardiovascular exercise, muscle strengthening and stretching through a full range of motion.
Interval TX	Interval Training! A calorie-burning water class designed for people with the goal of weight loss and a desire to increase their cardiovascular strength. Exercise in a positive environment. Intervals will be cardio infused moments of high intensity bouts of cardio or strength segments. This class will utilize the deep end of the pool.
Aqua Blast	This class will challenge your perception of water aerobics! This class is a total body workout in shallow water at medium to high intensity--Start with a vigorous cardio segment, movements using a variety of equipment to improve strength and muscle tone, followed by stretching and cool down. Water fitness shoes recommended but not required.
H2G0!	Start your day out right! This class focuses on movements to improve your functional fitness. Movements in the shallow water designed to increase range of motion, cardiovascular endurance, strength, balance and coordination. Water fitness shoes recommended but not required.
